2. Debtor's trustee payment is 1,183.43.
3. Debtor is in a 100% plan.

5. Debtor is not sure when his workers compensation will start, nor does he know when he will be able to go back to work.
6. Once Debtor's long term prognosis is known Debtor will amend his plan to either roll in the arrears caused by this three motion suspension, or lower his payment as appropriate, depending on his condition.
